

PRIVATE INVESTIGATIVE BUSINESS

Serving the Treasure Valley

THE COMPANY

The company has been in business since 2012, performing investigative work for clients in the Treasure Valley area, but also performing investigative work nationwide. The company offers experience in criminal defense, surveillance, background services, debugging, GPS tracking, and several other services.

THE LOCATION

The company is based out of the Treasure Valley, is home based, and can be operated remotely as long as the buyer has quick access to the primary service area. The company can also be transitioned to an office at minimal cost.

THE STRENGTHS

The company has a strong reputation for providing dependable, timely investigations and accurate information. The company's robust online presence, including a highly ranked website when conducting a Google search, provides a strong digital footprint for current and prospective clients. In addition, the owner works only part-time throughout the year to generate the earnings and cash flow.

THE REASON FOR SELLING

The current owner has enjoyed building the business' strong reputation and repeat client base, but would like to turn it over to the next owner.

THE IDEAL BUYER

An ideal buyer would be someone with prior law-enforcement and/or military service experience, but anyone with an interest and aptitude in learning the private investigation business would be a great fit. The Seller will provide necessary training for a new owner to hit the ground running.

THE POSSIBILITIES

The company could further conduct additional target marketing and advertising to grow its business and could also expand its service offerings. There is also a role to further invest in technology for improved efficiency and to grow services leveraging technology.
